Discover the history of Fort Kniepass on a guided tour.

This tour takes a historical perspective and provides lots of interesting and exciting details about border fortifications in the province of Salzburg.

The themed trail on the theme of “borders” begins at the visitor centre and tours the historic 17th century fortifications. An experienced guide accompanies visitors en route from station to station – through rooms, gates and theme worlds. The tour sheds light on the significance of borders from a wide variety of perspectives.

Exciting additional information and lively anecdotes make the tour even more special: What was traded here in the past? Which carriages passed the fort on their way across the Alps? Do plants respect any boundaries? Which ones have humans overcome or secretly circumvented?

A packed programme of history, stories and unexpected insights. It's ideal for those seeking to discover and discuss as a group.

- **Price:** 20.00 p.p.
(including themed trail, not including Viper-Slide)
